The Spirit of '76

Make way for us: here we come.
We're the future — America's young.
Don't criticize or mock our youth;
Just like you, we search for truth.
Hypocrisies won't get us down;
We will strike where these abound.
There's much to do: we're needed here,
To help preserve what men hold dear.

We'll work with others hand-in-hand,
To try to help our fellow man.
In this land our fathers made,
We stand together unafraid.

Give us room; let us by.
The youth of America have arrived.
There's nothing wrong that we can't fix;
We're the Spirit of '76!

AUDITORIUM

To Mrs. Marchant:

As our high school years come to a close, we would like to express our sincere thanks for all the help yo
have given us.

With you as our advisor, and more important, our friend, we have accomplished many goals which at on
time or another seemed impossible.

These years have been memorable ones, but they would not have been so without you. As we leave hig
school, we bring much with us; the knowledge we have acquired, a more mature outlook on life, and happ
memories of friends and events.

You shall be in those thoughts, and we will always have a special place for you in our hearts . . .

With much love and appreciation

In Memoriam

George Boyd was a person who made us thankful to be alive. He lived his life to the fullest; excelling in school, in sports, and in character.

Born January 21, 1957, George's main interest was sports. As a youth, he played Little League baseball. He hit the first home run in the first game ever to be played in a certain baseball field. This field has been named after him, "George Leo Boyd Field."

George attended Oakland Beach and Gorton Junior High School. At Gorton, he again showed his athletic ability by starring in track and two baseball teams. George won several ribbons and made the all-star team. He also led his soccer team to a divisional title.

Football was the next sport George took up, and he was a top performer once again. His speed was great on the football field as well as on track.

When George entered high school, his natural running ability earned him several ribbons on the track team at Veterans. George also finished second in the state track meet.

Sports was not the only memory we have of him. He possessed character, strength, and a sense of humor. He never lost these attributes, despite the great suffering he experienced.

On January 22, 1975, a tumor ended his life, yet the memory of him will always be alive in our thoughts forever. . . .

Graduation time implies something even more special today than it did in the past. In today's world, graduation is not really the end of a period of development, but rather the beginning. In a world of advanced learning, specialization, and improved technical training, high school seems to be but a stepping stone to a completed version of ourselves. As you prepare to surmount other milestones in the course of life, I invite you all to pause and to consider — that we can only look upon the past; for that which is now has never been before.

As you tread through your life's pathways, you will discover that overall excellence is paramount in your journey through life and in all of your endeavors.

You will be constantly challenged on every account to work untiringly to achieve excellence in your life's work. Not all of you shall be called to specialized or professional positions. Many of you shall be called to be laborers in factories, fields, and highways. Just remember that no type of labor is insignificant and without dignity. All labor that uplifts humanity and dignity and importance should be pursued with painstaking excellence. You must come forward with initiative, manpower, resources, faith, and a sense of dedication to realize your potential. Set yourself earnestly to discover what you are made to do and then, give of yourselves passionately to its performance. Such a resolve shall always represent a clear onward drive to personal self-fulfillment.

May I conclude by suggesting that as you go through life dealing with people — the best thing to give . . . to an opponent, tolerance; to your child, a good example; to a father, deference; to your mother, conduct that will make her proud of you; to yourself, respect; and to all humanity, charity. Finally, I offer my sincere gratitude to you for your wonderful friendship and love throughout our treasured years together in this wonderful school. God Bless you! and may your rewards be endless.

Affectionately and everlastingly
your proud fellow Cane,

LOVE

"You've Got a Friend"

When you're down and troubled
And you need some love and care
And nothin', Nothin' is going right,
Close your eyes and think of me
And soon I will be there to
Brighten up even your darkest night,

You just call out my name
And you know wherever I am
I'll come runnin' to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there. You've got a friend.

If the sky above you
Grows dark and full of clouds
And that ol' north wind begins to blow
Keep your head together
And call my name out loud;
Soon you'll hear me knocking at your door.

You just call out my name
And you know wherever I am
I'll come runnin' to see you again.
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes, I will.

Now ain't it good to know
That you've got a friend
When people can be so cold?
They'll hurt you, yes, and desert you
And take your soul if you let them
Oh, but don't you let them.

You just call out my name
And you know wherever I am
I'll come running to see you again.
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes, I will.

You've got a friend, You've got a friend,
Ain't it good to know you've got a FRIEND!

Volleyball 1975

KNEELING: Lori Ashness, Jo Hallquist, Mary Shakespeare, Colleen White. STANDING: Mary Glodis, Lynn Battista, Marie Ritchie, Lynn Sheedy, Debbie Mowbray, Rose O'Neil, Michelle Carney, Coach London.

Last year's Volleyball team had a very good season. They stayed in second place, along with Toll Gate, until their final match. Unfortunately, Toll Gate ended their hopes for the playoffs by squeezing in a 15-13 and a 15-14 win over our girls. Pilgrim went on to beat the Titans in the playoffs to take home the title. Mary Shakespeare was honored All-State volleyball player from the Canes. Although we stepped down to 3rd place last year, we hope to bring the crown home in 1976!

GOOD LUCK TO COACH LONDON AND THE GIRLS!

The Hurricane runners paced the team to 7th place in the Class B Championship and 5th place in the Relay Carnival. Jesse Robbins and Steve Guy were the co-captains for the season. We look for a prosperous season next fall with 5 returning lettermen.

Soccer

The Warwick Hurricanes finished the season with an over-all record of 6 wins, 7 losses and 2 ties. Considering that we play in the strong Met. Division, our 5th place finish was very respectful. The highlight of the season was the 2-2 tie with State Champs Bristol High School and a sweep of our games against cross town rivals Pilgrim and Toll Gate. Senior Tri-Captain Kent Enos was the strength of our team. He tied for third in the Met. Division scoring race, with 13 goals and 8 assists. He had a foot in 21 of the 32 goals we put in the net this year. Kent was selected to the first team All NE5 and All-State Soccer Squads. Other seniors who contributed a great deal were Tri-Captains Roland Deblois and Jim Soares, Andy Packhem, Mike Kenny, Fred Sundin, Norm Thibeault, Kevin Teague, Joe Baglini. Returning lettermen Dave Benson, Pete Clements, Bill Rainone, Mike Mullaney, John Evans, and Dave Anderson will be counted on to anchor next years team. We are also looking forward to Wayne Fargnoli, Paul Foreman, and Glen Dowsling to contribute for what we hope will be a fruitful year.

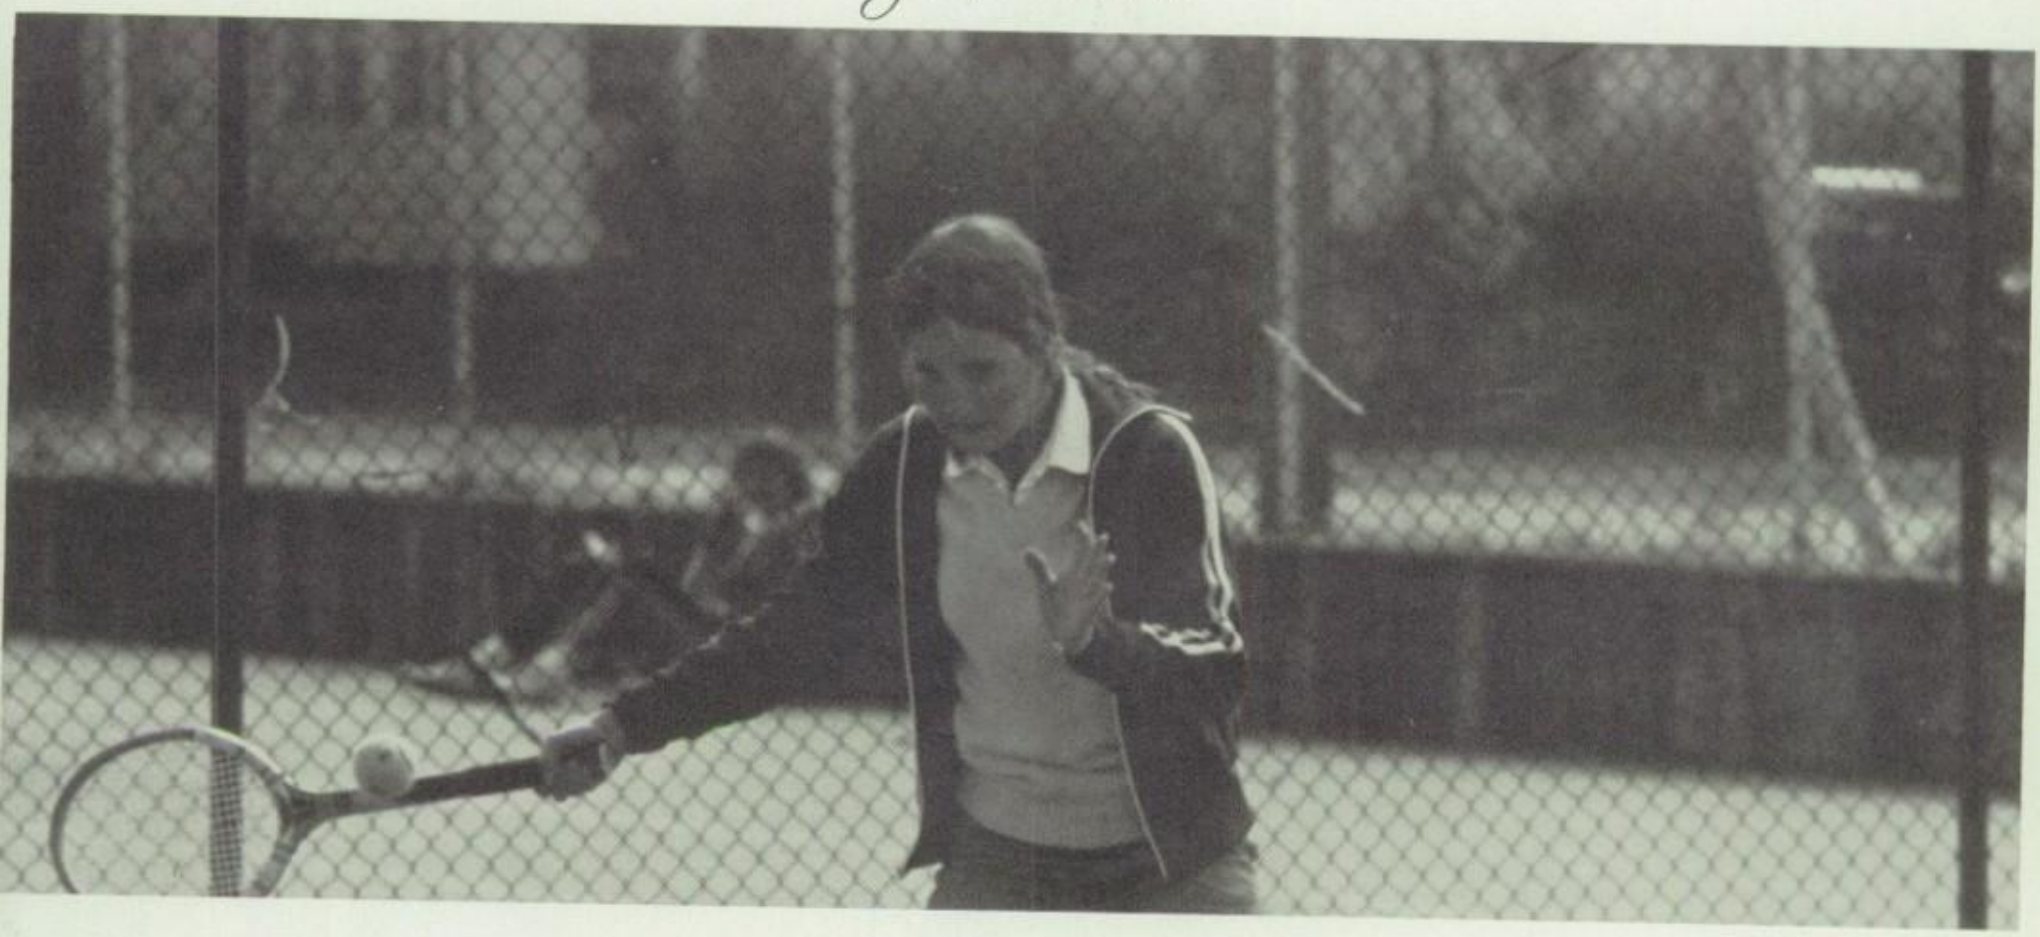
Girls' Tennis



The girls' tennis team compiled an impressive record in their first year in the league. With Coach Rittman at the helm the girls were able to pull stunning upsets over their arch-rival Pilgrim both times they met. Seniors who helped lead the way were Cindy Handy, and juniors Laure Harrington, Denise Mahar, JoAnn Clark, and many other fine players. A bright lite on our team this year was an excellent freshman, Jana Riccitelli who was seeded number one. Good Luck to these girls and we know they are in for many more good seasons with such excellent talent just beginning.

Football

The Hurricanes enjoyed a fine season despite numerous injuries to several key players. The team compiled a 5-3-1 record and finished third in the Class A Large Division.

Although they will be losing thirteen seniors, Warwick is looking forward to another successful season next year with the return of many talented players.

Congratulations to the team, coaches Hart, Stebbins, Miga, Sanders, and head coach Taylor, and also to Captains K. Mackinnon, W. Oakes, and J. Noble. A special recognition was given to Jeff Noble, Co-Captain, Craig Ricci, Steve Corley, and Mike Enos. Noble was named to the Class A Large All-State team on offense and defense. Ricci and Corley made First Team defense and Enos made Second Team offense.

Hockey

Under the coaching of Don Galli and Greg Hart, the Hurricane Hockey Team had a good season this year. Finishing in 4th place with a 9-7-1 record enabled them for a berth in the state playoffs. The highlites of the season were a surprising 4-2 upset over the first place Cumberland and a victory over our arch rival Pilgrim. Outstanding offensive effort was exhibited by John Hurst, Jim Maxfield, Ralph Barron, Andy Packhem, and Steve Marshall. The Defense was led by Rick Carey, Jay McGurrin, Tom Difusco, and goalies Fred Barth and Bill Carey. Credit should also be given to Jim Murphy, Ray Leblanc, Dave Ormrod, Mike Keneally and Rick Orton. With returning players from this year and the J.V.'s moving up, we hope for a much better season next year.

IN CONGRESS, JULY 4, 1776

The unanimous Declaration of the thirteen united States of America,

PENNORD

Our four years of high school have quickly swept by us. As we reminisce over the past years, there are many things we will always remember, the friends we have made, the crowded corridors, cluttered lockers, fundraisers, sporting events, dances, proms, studies, but most of all the teachers who have helped us in many ways. We can never relive these years but can look forward to applying what we have learned at Warwick Veterans to achieve our goals in life.

While history will always remember the year 1776, let is also remember the class of 1976 as a class out of the ordinary, showing the true Spirit of "76". So . . . watch out world for our graduating class. One to step forward with new ideas, ambition, determination, leadership, and most of all, a class with faith, hope and love for our fellow man.

In closing I want to wish my fellow students the best of luck and success and God's blessing in all their endeavors.

A friend always,

Sharon Mc Garry
